As part of efforts to support the development of Malaysia’s private markets, Capital Markets Malaysia (CMM) is facilitating the participation of Malaysian VC and PE firms at the upcoming SuperReturn Asia event.

Recognising the significant international networking opportunities afforded at this event, we would like to support increased participation by Malaysian private market firms by offering a 50% rebate off the price of ticket for Malaysian private market players. The regular price of each ticket is £2400 for domestic GPs and investment firms from Southeast Asia.
